THE IMPORTANCE OF RECOGNIZING 4-H CLUB WORK WELL DONE

BY

4-H MEMBERS--4-H LEADERS--4-H PARENTS

In this first year of the National 4-H Defense Mobilization Program, Club members should take justifiable pride in their many and varied worth-while achievements. To the 2,000,000 4-H members along with their 275,000 loyal, local volunteer leaders and parents who have cooperated in such an understanding and appreciative way, much credit should be given.

Records conclusively show that 4-H members, during these critical times, have been producing and conserving food, saving scarce materials, maintaining needed equipment, learning first aid and home nursing, removing accident hazards, helping in community drives and practicing good citizenship in countless other ways. In a striking manner, they are earnestly endeavoring to help build "America's Agricultural Might."

National 4-H Achievement Week provides the greatest opportunity of the year to recognize publicly the results of these efforts. As has been often emphasized, such recognition is essential to the normal, steady growth of every boy and girl. Let all leaders, parents and friends join in giving 4-H members the recognition that they so richly deserve and that is so necessary to their well-being.

In the observance of National 4-H Achievement Week, we hope that you will find this manual with its many suggestions and illustrations even more useful than formerly. We hope, too, that you will not hesitate to mimeograph any parts of it to which you may wish to give wider distribution. It is being sent to you early for this purpose.

## NATIONAL 4-H ACHIEVEMENT WEEK

### MAIN OBJECTIVES

The objectives for the observance of the 1951 National 4-H Achievement Week may vary considerably in different areas. However, the following are the main ones now being recognized:

To make a report to the Nation regarding the 1951 4-H achievements.

In most areas, these have topped those of any preceding year. The significance of small beginnings and of cumulative effort should be emphasized as well as the 1951 4-H theme, "Working Together for World Understanding." The general public is entitled to this information.

To see that parents in every community understand and appreciate what their own boys and girls have accomplished through 4-H Club work during the past year and its significance in relation to the total 4-H effort. This year, effort will be made to recognize parents who have cooperated in an especially fine way.

To give recognition to group as well as individual achievements, through 4-H Club work. Such recognition is important.

To help 4-H members to develop their own 1952 4-H Club plans, based on their 1951 4-H achievements, particularly in their local 4-H Clubs.

To emphasize the 4-H opportunities afforded rural young people, and encourage those not yet enrolled to join in keeping with enrollment goals set.

To make appropriate recognitions for all 4-H work well done during 4-H Achievement Week.

Such recognition is important in the lives of all 4-H Club members. It is the hope that everyone will do his full part in seeing that such recognition is given. Local leaders, parents, and friends of 4-H Club work should also receive recognitions as well as 4-H members.

To highlight the outstanding contributions of 4-H Club members in helping to develop world-wide understanding and peaceful relationships.

During these critical times, it is important that the public be informed regarding the many worthwhile 4-H activities to promote world peace--the thousands of letters sent and received by 4-H members; the quantities of food, clothing and other supplies distributed abroad; the sizable number of exchange visits made involving hundreds of forms here and across the seas; and the effective follow-up from all such activities to develop better understanding among peoples of all races and creeds.

### SOME GENERAL SUGGESTIONS

1. National, State, and local broadcasts, including transcriptions highlighting 4-H achievements during 1951, particularly as such pertain to National Defense.
2. Congratulatory messages to 4-H members by high Government or State officials and other prominent friends of 4-H Club work.
3. Recognition of National 4-H Achievement Week in churches, schools, and at meetings of farm organizations.
4. Breakfasts, luncheons and dinners by sponsors of 4-H Club Work; in honor of all 4-H members who have done good work.
5. National, State, and county news, magazine articles, and feature material in weekly and Sunday newspaper editions relating to the main theme of the Week and 4-H Club accomplishments to date.
6. Use of window displays, stickers, gate-signs and other material furnished by the National Committee on Boys and Girls Club Work. The National Committee will also cooperate as usual in relation to the other main activities of the week.
7. Special 4-H exhibits, demonstrations, and posters in public places.
8. Especially featured 4-H meetings, parades, and other 4-H events.
9. Development of 4-H plans for 1952 based on 4-H achievements during 1951.
10. Special tributes to local volunteer 4-H leaders and 4-H parents who have helped to make possible the 4-H achievements being recognized.

### THE PRAYER OF THE SPORTSMAN

Dear Lord, in the battle that goes on through life,  
I ask but a field that is fair,  
A chance that is equal with all in the strife,  
A courage to strive and to dare;  
And if I should win, let it be by the code  
With my faith and my honor held high;  
And if I should lose, let me stand by the road  
And cheer as the winners go by.

--Berton Braley.

A 4-H REPORT TO THE NATION  
1951  
OUR RESPONSIBILITY

It is our responsibility, as leaders, to tell as effectively as possible across the Nation, the inspiring story of 4-H achievements, particularly as as such pertain to National Defense.

It is our responsibility to encourage the general public to observe the actual work being done by stout-hearted 4-H members on countless farms marked with the 4-H sign along the highways of this Nation.

It is our responsibility to highlight the outstanding contributions of 4-H Club members in helping to develop world-wide understanding and peaceful relationships through correspondence, gifts, and exchange of visits to farms in various countries.

When all these things are done, general public support will be materially strengthened, making it possible for a correspondingly increased number of boys and girls to receive the benefits of the 4-H program - dynamic in its potentialities for helping to build a strong, efficient, and courageous citizenry throughout the Nation.

"The most regal gift we can give our fellowmen is to aid in their development."

## THE NATIONAL 4-H DEFENSE MOBILIZATION PROGRAM

### SUMMARY REPORT 1951

The great challenge of 1951 was centered in helping to build "America's agricultural might" as a part of the National Defense Mobilization program. The 4-H Clubs throughout the Nation responded to this challenge with their own fourteen points. Their 4-H theme, "Working Together for World Understanding" was reinforced by their defense slogan "Above all - Freedom." This challenging spirit was also reflected in their 4-H defense mobilization pledge, "As a 4-H Club member and a citizen of our great Nation, I will earnestly work to preserve our deeply rooted spiritual heritage, our time-proven democratic government for free men, and our vast wealth in manifold human and natural resources."

Ever since the National 4-H Defense program was initiated a year ago, 4-H members have been working together toward the attainment of their 14-Point program or similar program modified to meet State or local situations. However, irrespective of the points involved, the spirit of the National Defense program has dominated the thinking and the work of all 4-H members and leaders, as indicated by the top records reported. These records in every line of defense endeavor have surpassed those of every other year and, as such, should be highlighted during National 4-H Achievement Week.

The keynote of the part of the 4-H Clubs in this huge defense program recently found expression in a new national 4-H exhibit, entitled "Defense in Depth." For, back of the firing lines, the communication lines and supply lines stand the 4-H members of America-- staunch in their efforts to produce food, feed and fiber for home and world use; to conserve through practicing and demonstrating methods for making the best use of soil, water and other resources, as well as foods and equipment on the home farm; to serve through first aid, home nursing and labor-saving activities; and also through taking over tasks of those entering the armed services. Along with "all these 4-H calls to duty," 4-H members were also earnest in their efforts to develop their own selves to be better fitted for the "long pull ahead," physically, mentally, and spiritually. Such, in brief, was the launching of the 4-H Defense Mobilization program for the 2,000,000 members enrolled.

In their 4-H discussions, due to the critical world situation, they spent more time than ever before at their 4-H meetings and at their 4-H camps, trying to understand some of the important social and economic forces now at work in the world and the steps to take in developing the good-neighbor spirit at home and abroad, to the end that there may finally be a just and lasting settlement of differences.

## NATIONAL AND STATE PLANS

National 4-H Achievement Week provides an opportunity not only to feature total 4-H accomplishments during 1951, but to call attention to local and county results, where community or county 4-H achievement days have already been held. The major plans for this week include:

### 1. National and State radio and television broadcasts.

These may feature total 4-H achievements, emphasizing what 4-H members have already done in producing and conserving food and fiber for home and abroad in connection with National 4-H Defense program. Although some effort will be made to arrange national 4-H broadcasts during the week, the main effort in this regard will be reserved for the week of the National 4-H Club Congress, November 25 to 29, 1951, and National 4-H Club Week, March 1 to 9, 1952, when the emphasis will be placed on checking up on progress made to date, thereby insuring a larger number of completions by 4-H Club members.

### 2. Messages to all 4-H members by high Federal and State Government officials and other prominent friends of 4-H Club work. There will be special messages by the Secretary of Agriculture and by Director M. L. Wilson.

### 3. National and State news and feature material.

These will be concerned with total accomplishments by 4-H members during the past year in community, county, State and Nation.

### 4. Magazine articles and feature articles.

In this connection, of special importance will be the weekly and Sunday newspapers, as well as Extension news channels.

### 5. Use of State 4-H posters.

### 6. Use of achievement window displays, stickers, gate signs, and other aids, including subscriptions to the "National 4-H Club News."

Such aids will be furnished by the National Committee on Boys and Girls Club Work. "The National 4-H Club News" can play a significant part as a suitable recognition to deserving local leaders and club members.

### 7. Commercial cooperation thru 4-H window displays, advertisements and parades.

### 8. Emphasis on 4-H theme, "Working Together for World Understanding."

## SPECIAL SUGGESTIONS FOR COUNTY EXTENSION AGENTS

1. County Newspapers. Call attention early to the observance of National 4-H Achievement, November 3-11, in county newspapers. It helps considerably in focusing the attention of the public as well as 4-H members, leaders, and parents on the importance of the event, particularly in connection with National Defense.
2. 4-H Stories. Provide editors of local papers with photographs and information on National, State, and local 4-H results.
3. Window Displays. Consult bankers and managers of local stores about window displays. Some will have special plans already under way. Furnish 4-H posters, 4-H window cards and products canned or grown or made by 4-H members. Provide, if possible, for demonstrations by club members in local store or bank windows.
4. Circular Letters. Send circular letters to all local leaders acquainting them with plans for National 4-H Achievement Week and what they are expected to do. Circular letters concerning 4-H Achievement Week may also be sent to 4-H officers and possibly to all members. Note the suggested circular included in this manual.
5. Radio and Television Broadcasts. Make contact with local broadcasting and television stations regarding special 4-H programs during National 4-H Achievement Week highlighting the outstanding achievements of local 4-H members, as well as the extent of national and international 4-H Club work today.
6. Membership Appeals. Plan with local 4-H leaders various ways of reaching more young people with the 4-H program. Make special announcement of those enrolled during National 4-H Achievement Week.
7. Plans for 1952. Announce 4-H plans for 1952 as developed by the 4-H Clubs of the county based on their 1951 results.
8. 4-H Poster, Window Cards, and Gate Signs. Put 4-H posters and 4-H window cards in all public places. Encourage 4-H signs on gateposts of farms where club members live.
9. Cooperation of the Church. Obtain the cooperation of the clergy of local churches. Supply them with all necessary information on 4-H work in relation to National 4-H Achievement Week and 4-H plans for 1951.
10. Special 4-H Events. Plan special 4-H events for the recognition of deserving 4-H members, leaders, and parents.

## SOME SUGGESTIONS FOR PARTICIPATION OF FRIENDS OF 4-H CLUB WORK

### Donors, Sponsors, Service Clubs, Farm Organizations

National 4-H Achievement Week may be an opportune time for the participation of the friends of 4-H Club Work--donors, sponsors, advisers, and members of service clubs, as well as members of national, State, and local 4-H committees. All such leaders may do much to call attention to the importance of the 1951 National 4-H Achievement Week, as well as to assume various responsibilities in carrying out special activities during the week to recognize 4-H accomplishments and to reinforce any 4-H events planned. They may be invited to attend special meetings held on national, State, and local levels to provide opportunity for 4-H members and leaders to report on the status of 4-H Club work, achievements to date, and to exchange ideas for the further strengthening of the work.

### HOW TO BE A CHAMPION

(A little philosophy for the Club member during  
National 4-H Achievement Week)

You wonder how they do it  
And you look to see the knack;  
You watch the foot in action  
Or the shoulder or the back;  
But when you spot the answer  
Where the higher glamours lurk,  
You'll find deep concentration  
Mixed with much determination  
That the most of it is practice  
And the rest of it is work.

They all have certain canny ways  
Who reach the topmost round;  
And most of them have certain styles  
At getting over ground;  
But when you spot the reason,  
Though the fellow is a Turk,  
You will find in moving higher  
Up the laurel covered spire  
That the bulk of it is practice  
And the rest of it is work.

### TO ALL LOCAL 4-H CLUB LEADERS:

Subject: Observance of National 4-H Achievement Week - November 3-11

It is most important that both 4-H members and parents receive recognition for work well done. Therefore, let us again begin early to plan for the observance of National 4-H Achievement Week, November 3-11, by discussing the observance of the Week at your club meetings, particularly in September and October. Let us see to it also that every 4-H Club makes a report of achievements attained and services rendered to the entire community. The following outline may prove helpful as you and your club members together develop plans for the Week:

Theme: Working Together for World Understanding

#### Main Objectives:

1. To make a report to the Nation regarding the total 4-H achievements for the year, particularly in connection with the National 4-H Defense Program.
2. To recognize all 4-H members who have done good work, especially the "runners-up."
3. To recognize 4-H friends and the parents of 4-H members for their cooperation.
4. To help 4-H members develop their own 1952 plans, based on their 1951 achievements, particularly on the local and county basis "Once a 4-H member - always a 4-H member."

#### County Meeting for Local Leaders:

On September 10, a meeting for you local leaders is being called to consider plans for the county observance of National 4-H Achievement Week. The meeting will be held in the hall adjacent to my office. Come prepared to discuss the following items.

1. Telling the story of 4-H achievements in the National Defense program.

Daily and weekly news channels  
Radio and television broadcasts  
Use of 4-H posters and stickers  
Window displays  
4-H gate signs  
Feature articles and editorials on  
4-H Achievements in Weekly and  
Sunday newspapers

2. Local 4-H Events

Achievement Meetings  
Achievement Tours  
Community Exhibits

3. County 4-H Events

Special 4-H ceremonials, luncheon,  
and dinner meetings when recognition  
may be given to both 4-H members and  
those who have helped them, such as  
leaders, parents, donors, sponsors,  
advisors.

County exhibits

4-H Parade, having 4-H members wear the  
new 4-H green parade cape and hat.

4. Circular letters to all 4-H officers and committee  
members regarding suggestions for observance of  
National 4-H Achievement Week.

Many experienced 4-H leaders believe that it is most important to observe this Week because of its great significance to all those 4-H members who have done a good job. Such recognition is essential to the normal, steady growth of every boy and girl in providing a feeling of self-confidence and a real sense of security. Let us do our full part to make the observance of National 4-H Achievement Week a powerful force for good in strengthening the 4-H program everywhere and in helping the young people participating to gain those satisfactions that come from a realization of having done one's best in America's critical hour. We are looking forward to seeing you on September 10 and hearing your suggestions for the observance of this important 4-H Week.

Sincerely,

(County Extension Agent)

SUGGESTIVE ITEMS FOR NEWSPAPER ACCOUNTS

**LOCAL LEADERS HAILED AS KEY FIGURES IN 4-H**

Observance of National 4-H Achievement Week, November 3 to 11, would not be complete without proper recognition of the \_\_\_\_\_ local club leaders who have aided this work in the county, says County Agent \_\_\_\_\_.

They are part of a group of \_\_\_\_\_ local 4-H Club leaders in the State, and over 275,000 in the whole country. Many of them are parents of club members, but not all. Some serve out of sheer interest in boys and girls, eager to help them get ahead especially during this critical world situation. (Cite stories involving time, work, expenses.)

Some of the local leaders in the county have been serving in this capacity for \_\_\_\_\_ years. (Some may now have grandchildren as 4-H members. Mention names and incidents.)

South Dakota

**SALUTE TO 4-H PARENTS**

Almost without exception, the boy or girl who makes the most progress in 4-H Club work is the one who has the active interest of his, or her parents.

This observation was made today by County Agent \_\_\_\_\_ in connection with the observance by the \_\_\_\_\_ county 4-H group of National 4-H Achievement Week, November 3 to 11.

(Quote a club member on what parental interest has meant to him, and quote a parent on why he, or she, is interested in this work. Comment on your own observations in this regard.)

**MEMBERS TELL WHAT 4-H MEANS TO THEM**

In commenting upon the observance of National 4-H Achievement Week, November 3 to 11, County Agent \_\_\_\_\_ pointed out today that 4-H is a "means to an end -- better informed and better trained farm youths never more needed than at the present time for a strong America."

That this end is being accomplished is indicated in statements volunteered by club members themselves. Excerpts from some of these follow: Cite stories linking them up with national 4-H Defense activities.)

## THE NATION OBSERVES NATIONAL 4-H ACHIEVEMENT WEEK

This is NATIONAL 4-H ACHIEVEMENT WEEK for the two million boys and girls who are members of this outstanding organization, now reaching around the world.

To be identified with a 4-H Club is a mark of distinction, borne by more than \_\_\_\_\_ boys and girls last year, of which \_\_\_\_\_ were from \_\_\_\_\_ county. Their theme is "Working Together for World Understanding."

\_\_\_\_\_, in this county emphasizes that  
(Extension Worker) (Title)

"adults who are concerned for the future of this generation during these critical times can do no better service than that of encouraging and assisting the 4-H organization by recognizing work well done; by making greater participation possible; and by giving support to the local 4-H leaders who are helping the boys and girls of \_\_\_\_\_ county in such an outstanding way.

4-H Clubs represent the largest rural youth organization in the world. Numbering 2,000,000 boys and girls between the ages of 10 and 21 years, they are enrolled in over 87,000 clubs throughout the United States, as well as in Alaska, Hawaii, and Puerto Rico. England, Norway, Sweden, Denmark, Finland, Austria, Holland, Germany, Islands of the Caribbean, Venezuela, Uruguay, Peru, Japan, Australia, New Zealand, and other nations also, have 4-H Clubs or similar organizations.

\_\_\_\_\_ points out that each 4-H Club member does one or more phases of project work, under supervision of the county Extension office and local volunteer 4-H leaders, that will demonstrate or teach better ways of homemaking and farming. He also points out that the achievements of 4-H members during 1951 both in \_\_\_\_\_ County and in the Nation surpassed all previous records - Our congratulations to these stout-hearted 4-H members as they help to make America strong!

## PAYS TRIBUTE TO 4-H CLUB WORK

\_\_\_\_\_ says that no better tribute to the 4-H Clubs could be given than this one by the late Dr. C. B. Smith:

"Four-H Club Work is a kind of training in which rural youth learns better ways of farming and homemaking, better ways of working together in groups and on community matters, better ways of living. It recognizes the basic educational values of farm life. It puts the emphasis on self-reliance, character, and an appreciation of the things of the open country. It makes for good homes, good citizens, and a cultural rural life."

National 4-H Achievement will be observed November 3-11; the theme "Working Together for World Understanding."

### EMPHASIS ON YOUTH

This week the emphasis is on youth as the largest rural youth organization in the world--the 4-H Clubs--observe NATIONAL 4-H ACHIEVEMENT WEEK. Members number TWO MILLION, of which some (number) are in ( State ), and \_\_\_\_\_ are in \_\_\_\_\_ county.

For many years, the 4-H Clubs have made their influence felt in education for farming, homemaking, and rural community life. Their progress deserves the commendations of community, State, and Nation.

This is certainly a time when ALL citizens of \_\_\_\_\_ county will do well to encourage the work of the 4-H Clubs, examine the results which they have achieved, and tell others of the benefits to be derived from taking some part in the program.

Four-H Clubs constitute an outstanding body of boys and girls. They attain worthwhile goals in life and as a character-building influence they are of uppermost importance. It is a great satisfaction to know that the work of the 4-H Clubs is based on each club member doing a useful piece of work on the farm or in the home, or community under skilled guidance and doing it the best way known to research and practice. It is also a satisfaction to know that 4-H Clubs have become an outstanding influence in developing the cultural, social, and recreational as well as the practical aspects of modern rural life and right now, are doing much to help make America strong.

It is a real pleasure to join in paying honor to these stout-hearted 4-H Club members of \_\_\_\_\_ county, of \_\_\_\_\_ State, and of our Nation, who have dedicated themselves to training for better citizenship, better living and better world understanding.

### THE LOSER

Let others cheer the winning man--  
There's one I hold worthwhile;  
'Tis he who does the best he can  
Then loses with a smile.

Beaten is he? Not to stay  
Down with the rank and file;  
That man will win some other day,  
Who loses with a smile.

SUGGESTED 4-H SALUTES FOR USE IN RADIO OR TELEVISION BROADCASTS

**THIS IS NATIONAL 4-H ACHIEVEMENT WEEK**

This is National 4-H Achievement Week - the time when 4-H members everywhere receive recognition for work well done. These 4-H Club members learn to produce and conserve food for home and across the seas. They learn to make their homes happier, healthier and more efficient. They join with others in helping to improve their communities. They number in all, 2 million boys and girls. This year their theme is "Working together for world understanding;" that is more than just a phrase. For each year they write thousands of letters to farm folks in distant lands, send gifts and sometimes visit them. We urge you to get acquainted with the 4-H program in your own community and support it in every way you can ... Now, The \_\_\_\_\_ Company brings you \_\_\_\_\_ (commentator).

**4-H CELEBRATES THIS WEEK**

Some \_\_\_\_\_ boys and girls in \_\_\_\_\_ State are celebrating National 4-H Achievement Week ... this week, November 3-11. "These young people," says \_\_\_\_\_, State 4-H Club Leader .... "can look with pride on a long list of accomplishments; they can look ahead to even better results from the groundwork laid during the past year. Therefore, it is very fitting, during this Week, that deserving recognition be given to them along with their local leaders and parents."

With the country facing a critical situation, 4-H'ers are planning to increase their efforts to help keep America strong in 1952 in various ways. They will be producing and conserving food, saving scarce materials, helping in salvage drives, learning first aid, and all in all, practicing good citizenship in countless other ways.

I would like to add that last year, members in over \_\_\_\_\_ (number) clubs carried on about \_\_\_\_\_ (number) homemaking and agricultural projects. Most of this fine endeavor would have been impossible, had it not been for the help of more than \_\_\_\_\_ (number) volunteer leaders, who gave their time and talent to 4-H work.

Yes, this is an important Week ... November 3-11 to review the past, give recognition to worthy achievements, and look to the future with 4-H. It will mean better living for a great many people ... both here and abroad.

New York

#### 4-H .... A HUGE ORGANIZATION

Maybe you have thought of 4-H as being a rather small group of young people meeting in your community .... bound together by the most wholesome of ties. Actually, in addition to these facts, 4-H the Nation over is overwhelmingly large. And through its tremendous size, it is benefiting thousands and thousands of members and leaders alike. It is a good thing to remember with National 4-H Achievement Week in the offing.

Nearly \_\_\_\_\_ (number) club members were enrolled in over \_\_\_\_\_ clubs in \_\_\_\_\_ State alone, last year. These same boys and girls carried somewhere near \_\_\_\_\_ agricultural and homemaking projects. More than that, about \_\_\_\_\_ outstanding people, interested in youth, acted as leaders and advisors. And further, these 4-H members across the Nation make a total of 2,000,000 with many fellow 4-H'ers joining similar clubs now being organized the world over.

New York

#### NATIONAL 4-H ACHIEVEMENT WEEK

A major Week will be with us before we know it .... a Week significant to thousands of young people in \_\_\_\_\_ State, as in the rest of the Nation. It is National 4-H Achievement Week, November 3-11.... according to the State 4-H Club Leader's Office at \_\_\_\_\_. Highlighting this year's observance, will be a review of the 4-H accomplishments of the past year .... and plans for next year's part in the Nation's Defense Mobilization program.

Some \_\_\_\_\_ club members will take part in an Open House program, designed to acquaint the public with their work, and plans for the future. Some of the figures of accomplishment might surprise you. Take for example, the hundreds of thousands of meals served by 4-H members.... in \_\_\_\_\_ State alone. Or better than a \_\_\_\_\_ quarts of fruits and vegetables canned - just a couple of examples showing the progress in doing things the 4-H way. That's why 4-H is proud to celebrate National 4-H Achievement Week, November 3-11 and give recognition to the \_\_\_\_\_ 4-H members and the \_\_\_\_\_ local volunteer leaders who have made these 4-H achievements possible.

## 4-H ADMISSION CEREMONY

— 0 —

Many a 4-H Club member has been stimulated to greater effort and achievement by the experiences and opportunities made possible through 4-H Club work. A brief summary of some of the 4-H basic principles at the time new members are admitted may aid considerably in developing an appreciation of the values of club work. Therefore, this brief ceremony seems especially appropriate at the time new members are enrolled in a 4-H Club.

Suggestions: The guide takes the candidate or candidates for 4-H Club membership to the front of the room, where the officers are standing behind a table on which an American flag and a 4-H flag have been placed.

President: To you who are about to become a member of the 4-H Clubs of America, we, as active members of (club name), sharing responsibilities in the carrying out of our 4-H program, wish to inquire as to your earnestness in becoming a member.

Have you selected a 4-H project and handed in a 4-H enrollment card signed by your parents?

Candidate: I have.

Vice President:

Before becoming a member, we feel that you should become acquainted with the organization and purposes of the 4-H Clubs. The 4-H Clubs are a part of the national agricultural Extension Service of the United States Department of Agriculture, in cooperation with the State colleges of agriculture and county Extension organizations. 4-H Clubs are organized to help us to become better citizens in a democracy by teaching us how to work and play together; by guiding us in the solving of our own problems and those of the home and community; by giving us an opportunity to learn better methods of farming and homemaking; by encouraging us to pass these better methods along to others; by giving us an understanding and appreciation of country life; and by helping us to be of service to others and to our communities in a changing world. In addition, during this critical period, each 4-H Club program provides rural young people an opportunity to do their full part in working together for a better home, community, and world understanding.

Secretary:

Our 4-H emblem is a green four-leaf clover, with a white "H" on each leaf, standing for the development of the Head, Heart, Hands, and Health.

Our 4-H motto is "To make the best better."

The ten 4-H guideposts are:

1. Developing talents for greater usefulness.
2. Joining with friends for work, fun, and fellowship.
3. Learning to live in a changing world.
4. Choosing a way to earn a living.
5. Producing food and fiber for home and market.
6. Creating better homes for better living.
7. Conserving nature's resources for security and happiness.
8. Building health for a strong America.
9. Sharing responsibilities for community improvement.
10. Serving as citizens in maintaining world peace.

Our 4-H Club Creed is:

"I believe in 4-H Club work for the opportunity it will give me to become a useful citizen.

"I believe in the training of my HEAD for the power it will give me to think, to plan, and to reason.

"I believe in the training of my HEART for the nobleness it will give me to become kind, sympathetic, and true.

"I believe in the training of my HANDS for the ability it will give me to be helpful, useful, and skillful.

"I believe in the training of my HEALTH for the strength it will give me to enjoy life, to resist disease, and to work efficiently.

"I believe in my country, my State, and my community, and in my responsibility for their development.

"In all these things I believe, and I am willing to dedicate my efforts to their fulfillment."

Our 4-H citizenship pledge is:

"We, individually and collectively, pledge our efforts from day to day, to fight for the ideals of this Nation.

"We will never allow tyranny and injustice to become enthroned in this, our country, through indifference to our duties as citizens.

"We will strive for intellectual honesty and exercise it through our power of franchise. We will obey the laws of our land and endeavor increasingly to quicken the sense of public duty among our fellowmen.

"We will strive for individual improvement and for social betterment. We will devote our talents to the enrichment of our homes and our communities in relation to their material, social, and spiritual needs.

"We will endeavor to transmit this Nation to posterity not merely as we found it, but freer, happier, and more beautiful than it was when transmitted to us."

Treasurer: This 4-H Club wants every person who joins it to know that he is joining a national organization which has very important citizenship responsibilities. Every person should know also that the 4-H Clubs are part of a large organization in which the Extension Service of the United States Department of Agriculture with headquarters in the Nation's Capital, works cooperatively with the Extension Services of the State colleges of agriculture and the county extension services, as well as with those of Hawaii, Alaska, and Puerto Rico; and that 4-H Clubs are now well under way in many other countries.

President: You are now familiar with the purposes of 4-H Club work, the extent of the organization, the 4-H emblem and what it symbolizes, the 4-H motto, the ten 4-H guideposts to be used in developing 4-H programs, the 4-H Club creed, and the 4-H citizenship pledge. Are you willing to try to live up to these ideals of the 4-H Club organization?

Candidate: I am.

President: Do you now wish to become a 4-H Club member?

Candidate: I do.

President: In becoming a member of our 4-H Club, we expect you to attend our meetings regularly, take an active part in our program, complete your project work, keep a record of all your 4-H activities, make an exhibit, and help other members of the club who may be in need of such help. As you sign the 4-H Club membership roll, please think of these responsibilities which you are assuming.

Candidate signs in secretary's book.

President: Please repeat the club pledge after me.

Candidate: (repeats after president)

I pledge--

My Head to clearer thinking,  
My Heart to greater loyalty,  
My Hands to larger service, and  
My Health to better living,  
For my club, my community, and my country.

President: You are now a member of (name of club) 4-H Club. We welcome you into its membership. May you ever do your full part in carrying out the 4-H program; be faithful in helping to carry on your own 4-H work as a part of the general extension program of your community and county in partnership with your parents and neighbors; and in living up to its high ideals to the end that you will be among the distinguished number who are working for a better home, a better nation, and a better world.

CEREMONY FOR INSTALLATION OF 4-H OFFICERS \*

--- O ---

The officers stand as shown in the diagram below. The X's in the large central square represent unlighted candles on a table. The squares represent the American flag and the 4-H Club flag. Retiring officers will need to learn their parts beforehand or be able to read their parts easily from small cards.

The retiring officers, beginning with the president, cross the room to the new officers, make short talks, and present them with the various official records of the club. The new officers take their places behind the table. The retiring officers leave the platform.

Leader

Retiring president:

As presiding officer for the \_\_\_\_\_ Club, great responsibility will be yours. You will preside at all meetings and will be ever ready to render service in the best interests of the whole club. You must protect its good name, strive always to further its ideals and purposes, and see to it that the people of the community are made acquainted with the work being done and the services being rendered. This gavel is given to you as the property of \_\_\_\_\_ 4-H Club to help you in performing your duties.

Retiring vice president:

As vice president, you will become familiar with the duties of the presidential office and will be ready to act at any time in the absence of the president. You will strive in every way to aid in upholding the dignity of your 4-H Club and in providing for its usefulness to all 4-H members enrolled and to the community as a whole.

\* Adapted from the Iowa 4-H girls' installation ceremony.

Retiring secretary:

As secretary, you will keep the membership roll and a complete and accurate record of what takes place at each meeting. You will make reports and write official letters. You will keep such important information and papers as the club may direct. In your hands and keeping will now be placed the secretary's book for the \_\_\_\_\_ Club.

Retiring treasurer:

As treasurer you will be entrusted with the money for the \_\_\_\_\_ 4-H Club, to keep accurate record of all receipts and expenditures. You will be expected to furnish detailed and complete information concerning the finances of your club whenever it is needed. This is the treasurer's book (or report) for the \_\_\_\_\_ 4-H Club, to help you in recording the financial business of your club.

Retiring reporter:

As reporter, you will be responsible for passing on accurate, interesting accounts of all work accomplished by the \_\_\_\_\_ 4-H Club and all 4-H events held, to the newspapers, and radio and television stations in our community and county. You will also be responsible for passing on other useful information pertaining to the 4-H Club program to all those in our community interested in the further development of the \_\_\_\_\_ 4-H Club. This is an important responsibility, for the people of our community and county should be familiar at all times with the 4-H work being done and the 4-H services being rendered in our homes, on our farms, and in our communities.

Local leader:

As club officers you have been chosen to guide and direct the \_\_\_\_\_ 4-H Club. I know that you will live up to the trust that has been placed in you. You will be largely responsible for the club spirit of your organization, for its progress and faithfulness to the principles and ideals of 4-H Club work. It will be your responsibility to help the members of your club in every way possible to prepare themselves as worthy citizens--physically, mentally, and spiritually--through 4-H Club programs, whereby they will be--

1. Developing talents for greater usefulness.
2. Joining with friends for work, fun, and fellowship.
3. Learning to live in a changing world.
4. Choosing a way to earn a living.

5. Producing food and fiber for home and market.
6. Creating better homes for better living.
7. Conserving nature's resources for security and happiness.
8. Building health for a strong America.
9. Sharing responsibilities for community improvement.
10. Serving as citizens in maintaining world peace.

You will now all stand and repeat the 4-H Club pledge. I will light the candle representing the club spirit (lights the candle). From this candle our newly elected officers will light the candles representing Head, Heart, Hands, and Health.

I pledge my head to clearer thinking (leader hands lighted candle representing club spirit to president, who uses it to light the candle nearest him), my heart to greater loyalty (vice president lights second candle with leader's lighted one), my hands to larger service (secretary lights third candle), and my health to better living (treasurer lights fourth candle), for my club, my community, and my country. Let us now close this impressive ceremony by singing our 4-H Song \_\_\_\_\_.

# — POSTERS —

This poster, designed to illustrate the 4-H motto, may feature any object where the jar is used here. The idea is to show only two or three rays on the "Best" and double the number on the "Better" illustration. The object should be in color. However, a black and white photograph or cut-out would do. A background to contrast with the illustration should be used and the lettering should contrast with the background.

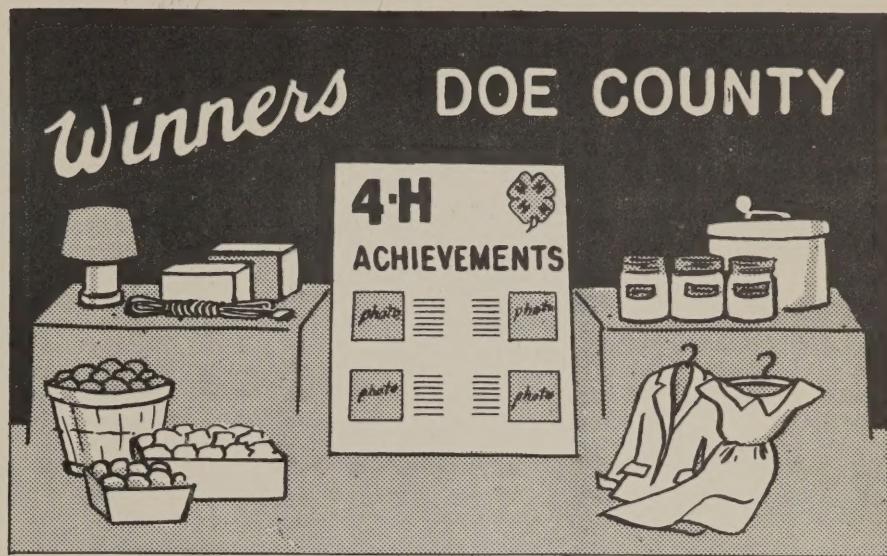

This poster may be either two or three dimensional. A face, looking, at the clover should replace the face of the clock. Contrasting colors should be chosen so as to point up both the lettering and the clock. If possible the clock might be made three dimensional with a swinging pendulum. Since motion gains more attention, this would increase the eye appeal of the poster.

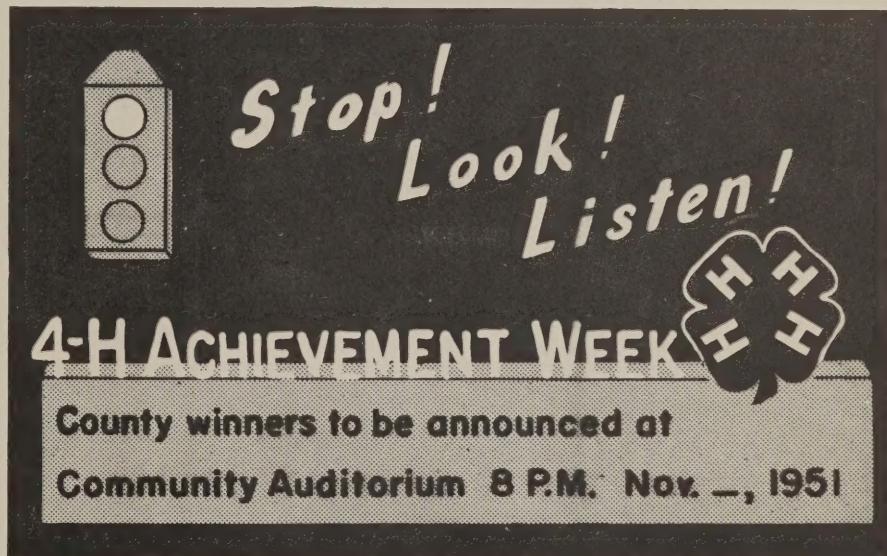

# — WINDOW DISPLAYS —

The purpose of this window display is to show the prize-winning projects. A dark back drop is used with white letters across the top as shown in the sketch. In the center of the display is a poster with photographs of the prize winners and a paragraph about each. An orange crate or similar

box may be used to make the step on which the first prize winners' projects are displayed. Or the first-prize winners may be on one side and the second on the opposite side. A neutral-colored background that will contrast with the objects shown should be chosen.

"Stop, Look, Listen" announces 4-H Achievement Week. The slogan is illustrated by the traffic light, which should have either the red light lighted or simulated lighting. The letters are white against a dark background, preferably green. The step supports cut-out cardboard letters and the cut-out clover

with its cut-out H's. A small light may be placed in back of the clover to illuminate the letters -- or they should be in white paint and the clover outlined in white. A lighter background should back the rest of the information, which would be in lettering to match the back drop.
